

DDP (Defab Duraproofing Process)

Two-way Ripstop Construction

Built for Local Conditions

tearlok®
bison II

Heavy-weight, industrial strength 100% core spun canvas.

Guaranteed protection from the most arduous weather, road and terrain conditions.

tearlok[®] bison II

Suitable for heavy-weight applications such as heavy duty long haul road transport, fixed frame canopies, car tarps, trailer covers and Ute/4WD canopy covers as well as machinery covers. Tearlok[®] Bison II can also be used for hire/builder tarpaulins, heavy duty seat covers and a great deal of general canvas goods applications.
